

SHOW YOU CARE ABOUT **HOME CARE**

Wednesday, August 27

12 Noon

**Paramed Home Health Care
400-1145 Hunt Club Rd,
Ottawa, Ontario K1V 0Y3**

In 2012 the CEO of Extendicare earned \$1.129 million in compensation by providing services largely paid for by the public. The mostly women who do the front-line work for Extendicare's home care division in Renfrew County have been offered a deal that will extend the freeze on their wages to five years. Starting wage for a home support worker at Paramed Home Healthcare is \$12.88 an hour – not nearly enough to take them *out of poverty*.

This comes at a time when the government is increasing funding to home care specifically to retain and recruit staff in the sector. Please show you care. Should public dollars support the millionaire CEO or the front line nurses and personal support workers who provide bedside care? Join us for a noon-hour picket outside Paramed's Ottawa office August 27th because we all care about home care.
